

Blessed Francis Xavier Seelos Parish

Parish Family,

As you know, our parish has been searching for someone to play the piano since Kevin departed for college. God has smiled upon our parish and sent Cherie and Brandon, and if you have been to any of the Sunday Masses since September 6th, you have experienced the musical talents of these two. Cherie and Brandon's heartfelt passion for singing the praises of our Lord and lifting our hearts in worship in the liturgy has been infectious and uplifting for many in our parish, and they are a true blessing. They have enjoyed coming to Mass and sharing their talents every Sunday, and because of you, they have felt welcomed and part of the Blessed Seelos family.

I genuinely believe that Cherie and Brandon can help our parish grow in faith and numbers, and to that end, we may have to change the scheduled time for Sunday Mass to 8:30 am. Changing the Mass time by 30 minutes will enable them to serve our parish family on a more permanent commitment. However, because it affects you, I want to ask for your input on this decision. With that said, would you be in favor of changing the Sunday Mass to 30 minutes earlier so that we can continue to enjoy the God-given talents of Cherie and Brandon? I invite you to prayerfully consider this change and provide me with feedback.

As always, thank you for your support and prayers as we continue to grow through these difficult times. We ask God to continue blessing us as we live our lives with love for Him. May our decisions, our hopes, and our actions reflect His Will.

Sincerely yours in Christ,

Rev. Godfrey Andoh
