## CATECHISM CORNER (Part 1 of 3)

The **Corporal Works of Mercy** are found in the teachings of Jesus and give us a model for how we should treat all others, as if they were Christ in disguise. They are charitable actions by which we help our neighbors in their bodily needs". There are 7 Corporal Works of Mercy:

### Feed the Hungry

There are many people in this world who go without food. When so much of our food goes to waste, consider how good stewardship practices of your own food habits can benefit others who do not have those same resources.

- Research, identify and contribute financially to organizations that serve the hungry.
- The next time you make a recipe that can be easily frozen, make a double batch and donate one to your local food pantry or soup kitchen.
- Try not to purchase more food than you are able to eat. If you notice that you end up throwing groceries away each week, purchasing less groceries would eliminate waste and allow you to donate the savings to those in need.

### Visit the Prisoners

People in prison are still people, made in the image and likeness of God. No matter what someone has done, they deserve the opportunity to hear the Word of God and find the Truth of the message of Christ.

- See if your parish, or a nearby parish, has a prison ministry and if so, get involved.
- Volunteer to help out or donate to charities that assist children whose parents are in prison.
